PURSUANT TO SECTIONS 251 AND)

ACT OF 1996)	

O R D E R

On September 5, 1997, BellSouth Telecommunications, Inc. ("BellSouth") and Fast Connections, Inc. ("Fast Connections") submitted to the Commission their negotiated agreement for resale of BellSouth services. The agreement was negotiated pursuant to the Telecommunications Act of 1996 ("1996 Act"), 47 U.S.C. Sections 251 and 252. Section 252(e) of the 1996 Act requires the parties to an interconnection agreement adopted by negotiation to submit the agreement for approval to the Commission.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity.

Fast Connections must comply with all relevant Commission mandates for serving in this Commonwealth including the submission of documents verifying the establishment

of an escrow account or the posting of a bond to cover six percent of Fast Connections' gross receipts from the provision of intrastate service for Universal Service Fund obligations.¹

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The negotiated agreement between BellSouth and Fast Connections is approved.
2. Within 20 days of the date of this Order, Fast Connections shall file documents demonstrating that an escrow account or bond has been established to pay its Universal Service Fund obligations.
3. Fast Connections shall file a tariff for local service prior to providing local service giving 30 days notice to the Commission and shall comply with all Commission regulations and orders as directed.
